Dear Applicant:

Congratulations. We are pleased to inform you that your application for the Transition to Teaching Grant Program has been selected for funding.

As indicated in the *Federal Register* application notice, the Transition to Teaching program supports projects that recruit and retain highly qualified mid-career professionals (including paraprofessionals) and recent college graduates, as teachers in high-need schools operated by high-need local education agencies (LEAs). The program also supports projects that encourage the development and expansion of alternative routes to full State teacher certification. To ensure a fair and thorough evaluation of each application, the Department of Education selected professionals to participate in a peer review. These professionals were selected based on their appropriate expertise and experience with teacher preparation, teacher certification, alternative routes to certification, and evaluation. The Department received 117 applications this year, of which 41 have been selected for funding.

The official award documents are enclosed with this letter. A duplicate set of documents is also being sent to the authorized representative identified in your application. We have also enclosed a set of technical review forms that document the peer reviewers' evaluation of your application's strengths and weaknesses.

Please note that support for the remaining years of the grant will be based on the availability of funds and your program's performance. You will be required to submit an annual performance report for each year of the grant.

We look forward to working with you throughout the coming months and years. If you have any questions, please visit our website at <http://www.ed.gov/programs/transitionteach> or contact your project officer who is listed on the Grant Award Document as the ED contact. You also may contact Thelma Leenhouts, the Program Manager for the Transition to Teaching Program, at Thelma.Leenhouts@ed.gov. We want to thank you for the time and thought that went into the preparation of your application. We look forward to the contribution of your project to the recruitment and retention of highly qualified teachers in our nation's most needy districts.

Sincerely,

Peggi Zelinko

Director, Teacher Quality Programs
